

London Property Dual-Hazard Exposure, 2025

Share of property sales in Flood Zone 3 and areas of significant shrink–swell susceptibility

Screening-level analysis only. HM Land Registry 2025 transactions were matched to ONS postcode centroids and overlaid with Flood Zone 3 and shrink–swell susceptibility data. Results do not represent exact property locations or building-level risk. CRS: British National Grid (EPSG:27700).

Sources: HM Land Registry, ONS Postcode Directory, Environment Agency and shrink–swell susceptibility data. Created by Jacob Webber, 2026.
