

London Flood Zone 3 Exposure by Borough

Percentage of each borough's mapped land area within Environment Agency Flood Zone 3

Sources: Environment Agency Flood Map for Planning; Greater London Authority borough boundaries.
Analysis: Jacob Webber (2026), PostgreSQL/PostGIS and QGIS. CRS: British National Grid (EPSG:27700).
Note: Percentages show mapped borough land area within Flood Zone 3 and do not represent individual property flood probability.
